

They have been next to us on our good and bad days. We think that they deserve to stay in the United States of America for their children and the future of their lives. We can't imagine how hard it will be not seeing, them, not only for us but everyone else. In the future we will need this wonderful family for a better community. Please keep all this in mind because they are a great family and we wouldn't like to see them out of our sight. We hope that you will do everything so that they will not be deported and they will stay in the United States of America. Thank you for your time.

Sincerely,

#### SUBMITTED RESOLUTIONS

#### SENATE RESOLUTION 589—DESIGNATING THE WEEK BEGINNING JUNE 9, 2008, AS "NATIONAL HEALTH INFORMATION TECHNOLOGY WEEK"

Ms. STABENOW (for herself and Ms. SNOWE) submitted the following resolution; which was considered and agreed to:

S. RES. 589

Whereas the Healthcare Information and Management Systems Society has worked collaboratively with more than 60 stakeholder organizations for more than 47 years to transform healthcare with improved uses of information technology and management systems;

Whereas the Center for Information Technology Leadership estimates that the implementation of national standards for interoperability and the exchange of health information would save the United States resources relating to healthcare each year;

Whereas healthcare information technology has been shown to improve the quality and safety of the delivery of healthcare in the United States;

Whereas healthcare information technology and management systems have been recognized as essential tools for improving the quality and cost efficiency of the healthcare system;

Whereas the President and the Secretary of Health and Human Services have made a commitment to leverage the benefits of the healthcare information technology and management systems by establishing the Office of the National Coordinator for Health Information Technology and the American Health Information Community;

Whereas Congress has placed an emphasis on improving the quality and safety of the delivery of healthcare in the United States; and

Whereas, since 2006, organizations across the United States have come together to support National Health Information Technology Week to improve public awareness relating to the potential benefits of the improved quality and cost efficiency that the healthcare system could achieve by implementing healthcare information technology: Now, therefore, be it

*Resolved*, That the Senate—

(1) designates the week beginning June 9, 2008, as "National Health Information Technology Week";

(2) recognizes the value of healthcare information technology and management systems in transforming healthcare for the people of the United States; and

(3) calls upon all stakeholders to promote the use of healthcare information technology and management systems to transform the United States healthcare system.

#### SENATE RESOLUTION 590—CELEBRATING THE 233RD BIRTHDAY OF THE ARMY AND COMMENDING THE MEN AND WOMEN OF THE ARMY AS EXCEPTIONAL INDIVIDUALS WHO LIVE BY THE ARMY VALUES OF LOYALTY, DUTY, RESPECT, SELFLESS SERVICE, HONOR, INTEGRITY, AND PERSONAL COURAGE

Mr. INHOFE (for himself, Mr. AKAKA, Mrs. HUTCHISON, and Mr. HATCH) submitted the following resolution; which was considered and agreed to:

S. RES. 590

Whereas, from the first Continental Army under General Washington at Yorktown to the beaches of Normandy, the city streets of Iraq, and the mountains of Afghanistan, the Army has protected and kept the flame of democracy burning brightly;

Whereas the citizens of the United States continue to enjoy the benefits of freedom and democracy because the men and women of the Army have stood through adversity, remained steadfast in the most difficult of circumstances, and bravely fought against the enemies of peace throughout the world;

Whereas the sacrifices of the men and women of the Army inspire and instill great pride in all citizens of the United States;

Whereas the active duty, National Guard, and Reserve components of the Army protect the Nation from our enemies, defend our vital national interests, provide support to civil authorities in response to domestic emergencies, provide ready forces and land force capabilities to the Combatant Commanders in support of the National Security Strategy, and support operations around the world, ranging from peace-time military engagements to major combat operations;

Whereas the Army is successfully performing operations, other than combat operations, including—

(1) supporting the defense of South Korea, Japan, and many other friends, allies, and partners of the United States;

(2) conducting peacekeeping operations in the Sinai Peninsula and the Balkans;

(3) conducting multinational exercises that reflect our longstanding commitments to alliances;

(4) continuing engagements with foreign militaries to build partnerships and preserve coalitions by training and advising their military forces;

(5) participating, most notably by the Army National Guard, in securing the borders of the United States and conducting operations to counter the flow of illegal drugs;

(6) supporting civil authorities in responding to domestic emergencies, including natural disasters and threats at home and abroad;

(7) supporting interagency and multinational partnerships with technical expertise, providing critical support after natural disasters, and promoting regional stability; and

(8) supporting operations to protect against weapons of mass destruction and block their proliferation;

Whereas the accomplishments of the Army are attributable to the men and women of

the Army who have demonstrated courage, strength, and versatility and endured countless hardships and made great sacrifices in performing diverse missions worldwide;

Whereas the contributions of Army families should also be recognized, as Army families provide the cornerstone of strength and support for the Nation's Soldiers and display tremendous commitment and sacrifice to the Nation by providing critical support to their loved ones during prolonged absences;

Whereas the Army has been continuously engaged in persistent combat operations for more than 6 years, has constantly and successfully adapted to ever-changing security environments, has displayed courage, resourcefulness, and resilience in the most grueling conditions, and, while focused on preparing forces and building readiness for counterinsurgency operations and providing stability, security, and hope to the peoples of Iraq and Afghanistan, has taken significant steps toward restoring balance to the all-volunteer, battle-hardened force; and

Whereas those and countless other great accomplishments add to the longstanding tradition of the Army and attest to the extraordinary capability of the men and women who serve the United States in the Army: Now, therefore, be it

*Resolved*, That the Senate—

(1) celebrates the 233rd birthday of the Army;

(2) salutes the men and women of the Army and their families;

(3) commends the men and women of the Army as exceptional individuals who live by the Army values of loyalty, duty, respect, selfless service, honor, integrity, and personal courage; and

(4) recognizes that the great men and women of the Army are the reason it continues to stand as the best army in the world and continues to perform extraordinary tasks while upholding its hallowed traditions.

#### SENATE CONCURRENT RESOLUTION 88—EXPRESSING THE SENSE OF CONGRESS THAT THE FOOD AND DRUG ADMINISTRATION'S (FDA) NEW POLICY RESTRICTING WOMEN'S ACCESS TO MEDICATIONS CONTAINING ESTRIOL DOES NOT SERVE THE PUBLIC INTEREST

Mr. CORNYN (for himself and Mr. BUNNING) submitted the following concurrent resolution; which was referred to the Committee on Health, Education, Labor, and Pensions:

S. CON. RES. 88

Whereas menopause is often a challenging transition for millions of women that requires specialized medications and medical treatments;

Whereas physicians prescribe a variety of pharmaceutical treatment options to treat women experiencing the symptoms of menopause;

Whereas individual women respond differently to different treatment options;

Whereas women's physicians determine on a case-by-case basis which treatment option is optimal for each woman;

Whereas many physicians prescribe compounded estrogen and other bioidentical hormone treatments for patients for a variety of reasons;

Whereas many physicians prescribe compounded estrogen treatments that contain estriol to treat menopausal and perimenopausal women;

Whereas estriol is one of three estrogens produced by the human body;
